## 1.0 Introduction

Pursuant to section 72 of the *Privacy Act*, the Transportation Safety Board of Canada (TSB) is pleased to table in Parliament this report on its activities relating to the application of the *Act*. The report covers the period from 1 April 2015 to 31 March 2016.

The purpose of the [Privacy Act](#) is to protect the privacy of individuals with respect to personal information about themselves held by government institutions such as the TSB, and to provide individuals with a right of access to that information.

The [Canadian Transportation Accident Investigation and Safety Board Act](#) provides the legal framework that governs TSB activities. Our mandate is to advance transportation safety in the marine, pipeline, rail and air modes of transportation by:

- conducting independent investigations, including public inquiries when necessary, into selected transportation occurrences in order to make findings as to their causes and contributing factors;
- identifying safety deficiencies, as evidenced by transportation occurrences;
- making recommendations designed to eliminate or reduce any such safety deficiencies; and
- reporting publicly on our investigations and on the findings in relation thereto.

More information on the TSB is available at [www.bst-tsb.gc.ca](http://www.bst-tsb.gc.ca).

The TSB's administration of its Access to Information and Privacy (ATIP) activities is in accordance with the government's stated principles that government information should be available to the public with only specific and limited exceptions. Furthermore, the TSB treats personal information in compliance with the code of fair information practice expressed in the *Privacy Act*.

## 2.0 ATIP Office Organization

During 2015-16, the General Counsel assumed the responsibilities of the ATIP Coordinator. The remainder of the ATIP Office consisted of five full-time positions and one term position.

The ATIP Office administers requests made pursuant to the *Act* and provides functional advice and guidance to managers and employees concerning the release of information and protection of privacy. In addition, ATIP analysts are required to exhibit strong consultative and negotiating skills when meeting with requesters, employees of the TSB and representatives of the Office of the Privacy Commissioner's office.

## 3.0 Delegation of Authority

As required by the legislation, a delegation of authority is in place. For the purposes of the *Privacy Act*, the "head of the institution" as defined in section 3 of the *Act* is the Chair. The incumbents of the positions of Chief Operating Officer and General Counsel have been

delegated powers by the Chair deemed appropriate for the effective administration of the Act. These employees ensure that the TSB meets all its obligations fairly and consistently. The delegation authority was updated in 2015-16. A copy of the Delegation Order is attached as Appendix A.

## 4.0 *Disposition of Requests*

### 4.1 *Requests for Personal Information*

In 2015-16, forty-six (46) formal requests for personal information were received during the current reporting period compared to forty-four (44) received in 2014-15. One (1) request was brought forward from 2014-15 to 2015-16. Privacy requests received by the TSB are primarily attributed to Canadian airline pilots inquiring as to whether they are named in any occurrences reported to the TSB. Certain international airlines request this information as a pre-employment requirement.

Of the forty-seven (47) requests closed in 2015-16, records were fully disclosed to forty-four (44) applicants and partially disclosed to three (3) applicants. No (0) request were carried over to the next fiscal year.

Of the forty-seven (47) requests closed during the reporting period, forty (40) were completed within 1 to 15 days, five (5) were completed within 16 to 30 days, one (1) was completed within 31 to 60 days, and one (1) was completed within 61 to 120 days. The average time taken to process a request during the 2015-16 reporting period was 8.8 calendar days, compared with last year's average of 16.1 calendar days.

During this period, the ATIP Office was involved in the search, preparation and review of 318 pages of information and the reproduction and release of 148 pages of information. Last year, 1,672 pages were reviewed and 810 pages were released. The variation in the number of pages reviewed between years is due simply to the different type of requests received.

The TSB's policy of openness allows for the disclosure of information to its employees without necessarily requiring that they invoke the *Privacy Act*. Human Resources officers and support staff handle this sort of request as part of their routine duties. The TSB remains vigilant in meeting requirements under the *Act* to protect personal information under its control. This is achieved by ensuring that employees are cognizant of their responsibility to protect the personal information they handle in the course of their duties and by respecting the code of fair information practice enshrined in the legislation.

### 4.2 *Costs*

During 2015-16, the ATIP Office incurred an estimated \$38,306 in costs to administer the *Privacy Act*. These costs include salaries, overtime, goods and services, and professional services contracts for temporary help staff but do not include the resources expended by other areas of the TSB to meet the requirements of the *Act*.

## ***5.0 Training and Education***

The TSB has an orientation program in place for new employees, which includes training on ATIP awareness. In addition, the TSB has now made it mandatory for all staff to attend more comprehensive ATIP training sessions given by the ATIP Office. During 2015-16, the ATIP Office provided two (2) training sessions to personnel at headquarters and two (2) sessions at its regional offices. Other sessions are planned in 2016-17 to ensure that all employees are trained. The ATIP Office also continues to provide advice and guidance upon request to individuals and small groups of employees.

In addition, the ATIP staff attended various workshops organized by the Treasury Board Secretariat throughout the fiscal year. These workshops provided ATIP staff with valuable information on trends and best practices within the ATIP community, updates on recent complaints and court cases, and tools to help improve service standards within the field.

## ***6.0 Policies, Guidelines and Procedures***

No new or revised privacy-related policies, guidelines or procedures were implemented by the TSB during the reporting period.

## ***7.0 Complaints and Investigations***

No complaints were received during 2015-16.

## ***8.0 Monitoring Process***

The TSB monitors the time to process privacy requests, through bi-weekly meetings between the General Counsel (ATIP Coordinator) and the Senior ATIP Analyst during which the status of outstanding requests are reviewed. Any significant issues are raised to the Chief Operating Officer on an ad hoc basis when required.

## ***9.0 Material Privacy Breaches***

No material privacy breaches occurred during the reporting period.

## ***10.0 Privacy Impact Assessments***

The TSB did not undertake any Privacy Impact Assessments (PIA) during the reporting period.

## ***11.0 Disclosures Pursuant to Paragraph 8(2)(m)***

The TSB did not disclose any information pursuant to paragraph 8(2)(m) during the reporting period.

## ***12.0 Statistics Required by Treasury Board***

The statistics required by the Treasury Board Secretariat are found in Appendix B.
